

# Proclamation

Last year, Americans gave billions of dollars to countless causes across the country and around the world including schools, religious institutions, the arts, groups that fight social problems and organizations performing medical research.

Established in 1960, the Association of Fundraising Professionals (AFP) is a nonprofit organization dedicated to serving individuals who generate philanthropic support for a wide variety of charitable groups.

The AFP Foundation for Philanthropy further strives to enhance philanthropy and volunteerism through programs of education, research and service that will benefit all those who lead, serve and support nonprofit institutions.

Throughout the month of November, the AFP – Aloha Chapter will acknowledge the entire spectrum of services provided by the nonprofit community and recognize the profound impact that philanthropy has on the fabric of society.

In honor of *National Philanthropy Day*, the AFP – Aloha Chapter is hosting events on November 16 and 17, 2006 including a two day educational conference, Philanthropy Awards Luncheon and Volunteer in Philanthropy Recognition event.

Each year, the AFP – Aloha Chapter honors individuals and groups who, through their hard work and dedication, have enhanced philanthropy and our community. This year's event will recognize the following individuals:

- H. Mitchell D'Olier, *Outstanding Volunteer Fundraiser Award*
